

REMARKS

Claims 1-51 are pending. The Examiner's reconsideration of the rejections is respectfully requested in view of the amendments and remarks.

Applicants appreciate the Examiner's indication in the Advisory Action that the rejections under 35 USC 112, second paragraph have been overcome.

Claims 1-51 have been rejected on the ground of non-statutory obviousness-type double patenting as being unpatentable over Claims 1-37 of US Patent No. 6,725,333.

A terminal disclaimer is attached hereto signed by an attorney of record. Reconsideration of the rejection is respectfully requested.

For the forgoing reasons, the application, including Claims 1-51, is believed to be in condition for allowance. Early and favorable reconsideration of the case is respectfully requested.

Respectfully submitted,

Dated: May 24, 2010
